What is LBPU ?

This year LBPU offers over 85 courses and eight levels of achievement: Associate, Bachelor, Master, Doctorate, Post Doctorate, Fellow of Scouting, Post Fellow, and Certificate of Post Graduate Studies. You may work toward a degree or just come up Saturday or Sunday morning for a particular course or courses as the variety of curriculum continues to be what our Region's Scouters have demanded for over twenty years. Courses are available for every program and position in Scouting.

There are specific courses this year designed to help Pack, Troop, Crew & Ship Commissioners, Adult Unit Committee Members, Ship & Crew Advisors, Cub & Boy Scoutmasters and their Assistants, Den and Webelos Leaders and their Assistants, Individual Unit Scouters, Charter Organization Heads & Reps, District and Council Volunteers, and OA Volunteers. There will also be GPS training, general Scouting information courses, basic cooking courses, Scouting and the Internet courses, and courses to help you deal with that difficult adult or youth.

Attendance continues to grow each year, serving more than 20 area BSA councils within the Central Region and beyond, representing Scouters from all across the USA. LBPU continues to provide quality Scouting volunteer training at a very affordable price.
